Heartfelt Ministries Friend Heart Agreement

I understand that I have a responsibility to Heartfelt Friends when registering as a participant in this ministry. I will be a Heart Friend who enjoys the hospitality of my Heart Encourager. I will do my best to show courtesy and respect by my consistent attendance. If I cannot attend a meeting, I will give at least 24 hours notice to my Host Heart Encourager, in order to allow time for adjustment for meal preparation and any other arrangements.
